Dear Parents and Guardians,

Re: Y9 and Y10 Pupil Vaccination Campaign

We would like to inform you that, in coordination with the Ministry of Health, a **pupil vaccination campaign** will be conducted at our school as part of the national health program.

To ensure your child's participation, please complete and return the attached consent form by **26th November 2025**. You may submit either a hard copy or a digital copy to the following email address: Divya@capitalschoolbahrain.com

- [Year 9 Vaccination Consent Form.pdf](#)
- [Year 10 Vaccination Consent Form.pdf](#)

Only pupils with signed consent forms will be vaccinated.

If your child has already received the required vaccination or plans to receive it outside the school, kindly send us a **copy of the vaccination record** on or before **7th December 2025**.

Important: When submitting the document (whether in hard or soft copy), please ensure that your child's **full name and year group/class** are clearly indicated.

If your child is absent on the vaccination day, a referral form will be provided to complete the vaccination at your local health centre.

Should you have any questions, please contact the school nurse or administration.

Thank you for your cooperation in keeping our pupils healthy and safe.

Warm regards,

Assheton Woodall
Principal
