Dear Parents and Carers,

Re: Follow-Up on Pupil Reports and Upcoming Parent Teacher Meetings

I am writing to follow up on the release of the pupil reports on iSAMS. As noted in the letter shared over the weekend, we are currently experiencing some formatting issues affecting the visual layout of the reports.

Please be assured that all information entered by teachers is accurate and accessible. You will be able to view your child's attitude to learning and assessed level for all subjects. Further detail regarding your child's start to the academic year will be shared during the upcoming Parent Teacher Meetings.

Next week, beginning Sunday, 30th November, we will also be offering Open Classrooms for 30 minutes after school each day. This will allow parents who have not yet had the opportunity to view their child's books to visit the classroom.

In addition, Specialist and Arabic Teachers will be available in the MPH at the following times for drop-in conversations:

- Sunday, Monday, Wednesday, Thursday: 2:20pm – 3:00pm
- Tuesday: 12:30pm – 1:00pm

These sessions are intended to provide additional flexibility for parents who may not have been able to book a meeting.

Thank you for your understanding and continued support.

Kind regards,

William Winton
