Dear Parents,

Re: Reminder: Y9 & Y10 pupil Vaccination Campaign at School

We are writing to remind you that the Ministry of Health will be conducting a vaccination campaign at our school, scheduled as follows:

- Date: Thursday, 22/01/2026
- Time: 08:00 AM
- Location: Parent's Lounge, Secondary Building

Parents who have submitted the consent form and agreed to the vaccination should ensure that their child attends school on the designated date to avoid any absence.

If you have not submitted the consent form or have chosen to opt out of the vaccination, please disregard this message.

If your child has already received the required vaccination or plans to receive it outside the school, kindly send us a copy of the vaccination record.

If your child is absent on the vaccination day or is unable to receive the vaccine due to medical reasons, such as fever or flu, they will be assessed by the vaccination team. A referral form will then be provided so the vaccination can be completed at your local health centre.

Should you have any questions, please do not hesitate to contact the school nurse or administration.

We appreciate your cooperation in keeping our pupils healthy and safe.

Warm Regards,

Divya Selvaraj
Nurse Secondary
