Dear Parents,

Re: AI & Robotics Club 2026 – New Beginner and Elite Batches Announced

We are excited to announce the start of **new batches** of 2026 for the **AI & Robotics Club at Capital School Bahrain** as we continue our journey of innovation and hands-on STEM learning! 🌟

We are delighted to announce the start of a brand-new academic year for the AI & Robotics Club at Capital School Bahrain! 🌟 This innovative after-school program is designed to inspire creativity, problem-solving, and future-ready skills in Artificial Intelligence & Robotics. Whether you are just starting out or already have experience, our club provides a progressive journey that grows with you, from fundamentals to advanced applications.

🔴 Program Details:

- **Who Can Join?** Pupils from Year 4 to Year 10
- **Location:** Robotics Lab in Secondary Building, Capital School Bahrain.
- **Duration:** Sessions: 2 per week (3 PM – 4 PM)
- **Session Length:** 1 hour each
- **Fee:** BHD 50/month
- **Maker & Coder 4.0 Kit:** BHD 120 + VAT (for applicable batches)

What's New This Year?

◆ **New Batch Starting – January 2026**

Beginner Batch (New Pupils)

- **Start Date:** 11th January 2026
- **Days:** Sundays and Thursdays
- Designed especially for pupils who are new to AI & Robotics
- Focus on fundamentals, coding basics, robotics concepts, and structured skill-building

Robotics Elite Practice Squad (For Existing Pupils)

- For pupils who have previously attended the AI & Robotics Club
- **Start Date:** 12th January 2026
- **Days:** Mondays and Wednesdays
- Focuses exclusively on:
 - Advanced hands-on practice

- Project building
- Competition preparation
- Skill refinement and problem-solving

This batch is specially designed for students preparing to participate in **interschool and other international AI & Robotics competitions**. The emphasis will be on practical exposure, innovation, teamwork, and real-world problem-solving, with minimal theory and maximum hands-on experience.

The emphasis will be on practical exposure, innovation, teamwork, and real-world problem-solving, with minimal theory and maximum hands-on experience.

We encourage parents to register early, as **seats are limited** to ensure personalised guidance and effective learning.

To enroll, kindly register and complete your payment through the links below:
