

Tuesday 13th January 2026

Dear Parents and Carers,

Re: Update: Revised Dates for Year 6 Oman Residential Trip & Key Information

We are writing to inform you of an important update regarding the upcoming Year 6 residential trip to Oman.

Due to unforeseen circumstances, we will need to move the trip dates to:

Friday 30 January 2026 – Tuesday 3 February 2026

This change will allow the children to gain the maximum possible experience from the trip, ensuring that all planned activities can run smoothly and safely. We appreciate your understanding and flexibility with this adjustment.

Please find **attached** the **Oman Impact Adventure programme**, which outlines the itinerary, travel details, accommodation, activities, weather expectations, and a detailed kit list. We encourage you to read through this document carefully, as it contains important information to help you and your child prepare.

In addition, we would like to inform you that **Mr Saleh from Challenger Team will be in school on Sunday, 18th January 2026 in the Secondary Parents Lounge at 11:00 am** to answer any questions you or your child may have regarding the trip. This is a valuable opportunity to gain further insight into the experience and address any queries directly with the provider.

Saleh will also be sending out a **kit list before the end of this week** to help ensure everyone is fully prepared for our exciting adventure. Please note that the luggage allowance is **23kg checked baggage plus a 7kg carry-on**. While this provides plenty of space, it is not necessary to use the full allowance.

This week, Mr Drew spoke to the children about the trip, including what to expect, initial room allocations, and airport arrangements. In addition, we will be inviting all parents to join a **WhatsApp community group**, which will be used to share updates and key information in the lead-up to departure.

One week before the trip, we will be hosting a **pre-trip briefing**. We strongly encourage all parents and children to attend, as we will cover airport procedures, protocols, expectations, and answer any final questions.

If you have any questions or concerns in the meantime, please do not hesitate to get in touch. We are more than happy to help.

Thank you for your continued support. We are very much looking forward to what promises to be a memorable and enriching experience for the children.

Kind regards,

Mr Drew
