Dear Parents,

RE: Capital School WhatsApp Channel

We are pleased to announce the launch of **Capital School Bahrain's Official WhatsApp Channel**, created to enhance communication and keep our school community even more connected.

This channel will serve as an additional platform where parents and guardians can receive the **same official announcements, updates, and important information** that are currently shared via email. By introducing this new communication method, we aim to ensure that every family receives timely updates in a convenient and accessible way.

We encourage all parents and guardians to join the channel to stay informed about school news, reminders, events, and essential notices.

Thank you for your continued support and cooperation as we work to improve our communication channels for the benefit of our school community.

Please find the channel link below:
