**Dear Parents and Guardians,**

**RE: Extension of Withdrawal Notice Deadline**

We hope this message finds you and your families safe and well.

In view of the current circumstances, we understand that many families may need additional time to make decisions regarding their children's placement for the upcoming academic year.

At moments such as these, it is especially important that our families feel supported, reassured, and valued. To that end, we would like to inform you that the withdrawal notice deadline has been extended to Thursday, **30 April 2026**. This extension is intended to provide additional time for families who may still be considering their plans for the next academic year. It also applies to parents who have already submitted a withdrawal request but may wish to reconsider their decision.

We recognise the significance of this choice and hope that the extra time will support you in making a Well-judged and informed decision. A member of the Senior Leadership Team would be very happy to meet with you.
