Dear Parents and Carers,

Re: Secondary Update: Return to full face-to-face provision

Following the Ministry of Education's recent announcement, schools were asked to offer either online or face-to-face learning on return following the conflict. In response, and in line with parental preference, the majority of families selected face-to-face education. To ensure a safe and smooth transition back to school for both pupils and staff, a temporary hybrid model was implemented over the past two weeks.

This period allowed pupils and staff to gradually re-establish routines while maintaining continuity of learning. We thank you for your understanding and cooperation during this time. We are now pleased to confirm that over 90% of pupils have returned to school, and as a result, the school has fully resumed normal school days and standard timings from Monday.

At this stage, teaching staff are no longer able to record additional lessons. With the return to full in-school teaching, staff responsibilities have increased significantly, and it is no longer feasible to continue recording lessons alongside a full timetable.

However, to ensure continuity of learning and to support revision, consolidation, and independent study, **teachers have set online work for pupils in the core subjects of English, Mathematics, and Science**. This work can be accessed via **Seneca Learning** using the links provided below.

In addition to this core subject work, pupils may complete **independent learning tasks in other subjects** using the high-quality online self-study platforms listed below:

- **SAM Learning**
- **Dr Frost Maths**
- **Seneca Learning**
- **Oak National Academy**

These platforms provide structured, curriculum-aligned resources and may be used to support revision, independent practice, and learning at home beyond the core subjects.

Please click the appropriate link below to access **teacher-set work for English, Mathematics, and Science** for your child via Seneca Learning. This works set is aligned to the curriculum taught in school and will cover the rest of the academic year:

Child Links

- **Year 7** – https://app.senecalearning.com/join-class-student-sign-up?classId=y8dw048wr2
- **Year 8** – https://app.senecalearning.com/join-class-student-sign-up?classId=g373hh46tt
- **Year 9** – https://app.senecalearning.com/join-class-student-sign-up?classId=mo2tdapn54
- **Year 10** – https://app.senecalearning.com/join-class-student-sign-up?classId=bxs1a8yoqb

We would like to thank you once again for your continued support and partnership as we return fully to face-to-face education. Should you have any questions, please do not hesitate to contact the school.

Yours sincerely,
Secondary Leadership Team
