

9 Art Maisie Draper Medium Term Plan

Autumn Term

Learning Overview (Contents)	In previous units' pupils have been introduced to the elements of art which form the building blocks of the subject. This unit builds on the elements with the principles of art, in which students understand how to critique work using the fundamental concepts. The students are able to articulate their thoughts and opinions about artwork using more complex subject specific vocabulary.
Assessment Opportunities	• Baseline assessment • End of term assessment of outcomes
